

HIGH SCHOOL ENRICHMENT PROGRAM

The procedures for applying to the **HIGH SCHOOL ENRICHMENT (HSE) PROGRAM** are listed below:

1. The intent of this program is to provide college enrichment opportunities for a limited number of eligible high school students in **grades 11 and 12 (exceptions may be considered: See Special Admittance Policy at the end of this form)**. Students must have exhausted all opportunities to enroll in an equivalent course at their high school.
2. High School Enrichment students are **provisional** students during each semester of attendance.
3. Completion of the Reedley College **Placement Test is mandatory prior to applying** for the HSE Program. You can find the placement test schedule online at the RC website (look under either eSARS or TESTING SERVICES). You need only take it one time. To make an appointment for the placement test, you will need a Reedley College student ID number. Obtain a student ID number from the Admissions and Records office (must be done in person), or from the online application process.
4. Minimum eligibility to the HSE Program include a 2.50 GPA computed from all high school courses completed except PE and military science.
5. All high schools must file a copy of their Board of Trustee's resolution authorizing participation in the program with the Reedley College Vice President of Student Services. The resolution can cover an extended period of time or be reviewed on a yearly basis, at the Board's discretion.
6. Not all courses listed in the Reedley College catalog are available to HSE students. **Generally, courses of a remedial nature, courses for which failing grades were earned, and courses required for High School graduation do not meet the intent and spirit of the program.** (Online courses need a signature from the Reedley College VP of Instruction, or VP of Students)
7. HSE Program students must spend a minimum day of 180 minutes on the high school campus. The HSE application includes a place for the high school to verify that the minimum day requirement is being met. **The application will also include the specific course which the high school is authorizing for each student.**
8. A complete application consists of a REEDLEY COLLEGE *Online (or paper)* Application, the HSE application with all **required signatures*** and a current **HIGH SCHOOL TRANSCRIPT*** (**handwritten transcripts are not acceptable**) and **Reedley College Placement Exam**. **Your high school counselor must assist you in your selection of requested course(s). We are unable to process incomplete applications and it is the student's responsibility to insure the application is complete.**
9. ***A Reedley College Application, HSE Application, and a current High School Transcript must be provided each semester the student plans to attend.*** The processing of HSE applications will begin on the first date each semester for registration of *New & Returning* Reedley College students.
10. HSE students are now allowed to register on **the first day of open enrollment** for the semester they are interested in enrolling (the date for open enrollment may be found in the schedule of classes for the semester you wish to enroll in). Contact the Reedley College counseling office at 559-638-0337 for additional questions.
