WELCOME TO MADERA COMMUNITY COLLEGE, HOME OF THE MOUNTAIN LIONS!

As the only college in Madera County (and with a campus in Oakhurst), we are proud to serve the Central Valley region. Our commitment is to the community and to your success.

At the age of four, I migrated from Mexico to the United States and immediately started working in the fields. I worked as a migrant farm worker until I started college. My parents left school during their elementary school years to work the fields, but my mom always talked to me about the importance of getting an education. And my dad taught me the value of hard work.

The youngest of seven children, I watched some of my siblings go to college. They paved the way for me. If you are the first in your family to go to college, don't ever underestimate the power of the example you are setting for those around you!

During college, I sometimes felt like I did not belong. Many of my professors did not look like me. It didn't feel like there was a place for me. We at Madera Community College want each student we serve to feel welcomed and validated.

I know my story may not be your story, but my own lived experience is what drives me to create a college where all students are supported – where everyone can succeed and has a voice. Let us know your goals. Tell us your story. We want to walk with you every step of the way.

In closing, I want to extend a warm welcome on behalf of all the faculty, staff members and current students. At Madera Community College, there is a place for you. We look forward to being part of your college journey.

Go Mountain Lions!

Sincerely,
Ángel Reyna, President

STEPS TO FINANCIAL AID

Entering the college atmosphere can be intimidating and the prospect of paying for college can be overwhelming for you. However, Madera Community College and Madera Community at Oakhurst are committed to your education and the Financial Aid staff will make every effort to assist students in obtaining financial aid. Here are some steps to help you through the financial process.

1. HOW IT WORKS (AFTER YOU SUBMIT YOUR FAFSA)

The Department of Education uses the information on your FAFSA to calculate your Student Aid Index (SAI), so if your answer to a question is none, input a zero instead of leaving number fields blank. Estimating financial information before you or your parent(s) have filed federal taxes is okay if you are up against the deadline. However, once your family taxes have been filed log on to your FAFSA to make corrections. Files are reviewed in the order they become complete. Every contributor on the FAFSA is required to consent to IRS Data Direct Exchange (DDX), even if they didn't file taxes, for the student to be eligible for federal aid. To start the FAFSA, an FSA ID is required. Students and parents must have an FSA ID to fill out the form, including parents without a Social Security number. It is in your best interest to respond in a timely manner because some funds are awarded in a first come, first served manner and may run out.

2. REVIEW ELIGIBILITY CRITERIA AND OFFER LETTER

Documents are reviewed for accuracy and completeness and enrollment may be verified. Your financial aid package is calculated based on your processed FAFSA or CA Dream Act Application. An email offer letter is sent at the earliest possible date. Financial Aid Award programs are subject to institutional, federal, and state funding levels and eligibility requirements. Forms, awards and requirements are subject to change.

3. REVIEW FINANCIAL AID

Check Self-Service and student email for communications from the Financial Aid Office about forms you might need to submit. Your file will not be completed until you submit completed forms.

IMPORTANT DATES & DEADLINES

OCTOBER 1

FAFSA and CA Dream Act Application filing begins. In order to receive financial aid each year, you must complete the FAFSA or CA Dream Act Application process once every academic year.

MARCH 2

FAFSA & Dream Act Application deadline for initial Cal Grant awards. Deadline for Madera Community College and Madera Community College at Oakhurst Scholarships.

JUNE 15

Priority deadline to complete your financial aid file.

SELF-SERVICE/CLASS REGISTRATION

Students who complete the enrollment process are eligible to register for classes at any State Center Community College District college. Students are notified of their registration date and time via student email.

SELF-SERVICE REGISTRATION STEPS

www.maderacollege.edu

Follow My Portal Instructions (see page 8)

- Click on the Self-Service icon

- Click Search for Classes/Add to Schedule
 1. Look at your SEP-A and Select Term (Fall 2024 semester, Spring 2025, etc.)
 2. Choose *Location (MCC, OC, RC, FCC, CCC)
 3. Enter class name *Subject (e.g., English) and Course Number (e.g., 1A for English)
 4. After you select the *Term, *Location, *Subject > Search

Search

See next page for an examples

TO REGISTER

1. Click Menu button (Top L) > Academics >

2. Register for classes/View My Schedule
3. Action allows you to Register, Waitlist, or Remove a Class
4. Register for each class under Action

Technology Tips

All campus websites have been tested to work with Microsoft Edge, Google Chrome, Mozilla Firefox, and Mac Safari web browser EXCEPT Internet Explorer. After six failed login attempts to your MyPortal, a soft lock will be applied to your account. The soft lock will clear after five minutes. A hard lock will be placed on your account after 15 failed login attempts. Call the help desk to have your password reset.

On-Campus Wi-Fi

For laptops running the Windows and Apple operating systems, you will need to click the Wi-Fi icon to see the list of wireless networks available. On mobile devices, navigate to the Wi-Fi connection screen typically found under the Settings screen for the device.

Choose to connect to SCWIFI. You will be prompted to enter your username which is your student ID number and password, which is the same password used to log into MyPortal. LOG OUT. Your information gets saved. If you don't log out, another person can get your information.

Using Chrome?

If you are using a shared device, clear the web browser history and cookies before you login and after you are done. Chrome remembers the last person's login and their information stays in Self Service.

WAITLIST

A Waitlist allows students a spot “in line” for classes that are full. When someone in the class drops, a seat opens and a student on the waitlist can now register for it. Waitlist gives you priority for an open spot, making it more likely you will get a seat in the class.

Do I have to pay to be on the waitlist?

No. You only pay for classes in which you registered.

How do I waitlist a class?

When trying to register for a class in Self-Service that has no open seats, students will get the chance to join a waitlist. The class will appear waitlisted in the student’s class schedule. Students can waitlist multiple courses.

How do I manage my waitlist?

Once you have chosen to Waitlist a class, you can log into Self-Service to check your waitlist status. Below are the three different waitlist statuses.

- Active = “Waitlisted” will appear at the top of the section - indicates you are active on the waitlist.
- Permission to Register = “Waitlisted - Permission to Register until <date>” - indicates you have permission to register until date listed.
- Expired = If permission has expired, the waitlist option button appears at the bottom of the section if the option to add to the waitlist is still available

How do I register into a class from a waitlist?

Once your seat becomes available in your waitlisted course, you will receive an email notification. The message will only be sent to your student email account, or you can view your schedule in Self-Service to see if your status has changed to “Permission to Register.”

Once permission to register is granted, you will have four days (including weekends) to enroll in the class using Self-Service. After four days, if you have not enrolled in the class, you will be removed from the active waitlist and the next student on the list will be notified. We recommend you use a laptop or desktop computer when registering to avoid compatibility issues with cell phones or tablets.

What if I’m still on the waitlist when class starts?

If you are on a waitlist after registration closes, you must attend the first class meeting and check with the instructor to see if there is space available for late enrollment. If you do not attend the first day of class, you will lose your place on the waitlist and another student may be added instead. If there is space in the class, the instructor will provide you with a registration code that you can use to register through Self-Service.

What if I have a registration hold or need assistance registering?

You may visit any SCCCD campus to resolve registration holds or call the student help desk for assistance during regular business hours, Monday through Friday 8 am to 5 pm.

What if there is a time conflict with my waitlisted course and another class on my schedule?

Self-Service will allow you to waitlist courses regardless of time conflicts with other courses on your schedule. The system will not allow you to register for courses that have overlapping meeting times. If you are granted permission to register for a waitlisted course that meets at the same time as another class on your schedule, you will have to drop the class causing a time conflict or remove yourself from the waitlisted course.

Maintaining Good Academic Standing

College is a new experience and with it comes new “lingo.” Here are some terms you need to know.

academic standing

Students who maintain a satisfactory semester and overall grade point average (GPA) are considered to be in good academic standing. When a semester GPA or cumulative GPA (or both) falls below 2.0 you may receive notice of the following:

academic probation level 1 (A1/P1)

Students get “level 1” academic/progress probation because they have attempted at least 12 semester units and have earned a cumulative grade point (GPA) average below 2.0 and/or have not completed more than 50% of the courses attempted.

academic probation level 2 (A2/P2)

Students on “level 2” academic/progress probation have earned a GPA below 2.0 and/or have not completed more than 50% of the courses attempted for two consecutive semesters. Students on Level 2 (A2/P2) must attend a mandatory on- campus “Academic Success” Workshop to have their registration hold cleared.

academic disqualification

A student who has attempted at least 12 semester units shall be dismissed for one semester, exclusive of summer session, if during each of three consecutive semesters the student’s performance falls under either one or any combination of the following two conditions:

1. The student’s cumulative grade point average was below 2.0.
2. The percentage of units in which the student was enrolled for which entries of “W”, “I”, “NP” and “NC” were recorded reached or exceeded fifty percent (50%).

Notes:

- *Courses listed in more than one GE area can fulfill only one GE area. See a Counselor to identify which GE area you intended to use the course so that it is coded correctly for CSU GE certification.
- All CSU campuses require U.S. History, Constitution and American Ideals to graduate. This graduation requirement can be met prior to transfer by selecting one U.S. History course (HIST 11, 12, 12H, or 22) and one U.S. Government (including California) course (POLSCI 2 or 2H).
- The above courses are CSU GE-BREADTH APPROVED FOR MADERA COMMUNITY COLLEGE ONLY. Students completing courses at other California Community Colleges, in particular Fresno City College, Reedley College, and Clovis Community College, should carefully review course differences in CSUGE placement. A full list of CSU GE approved courses for all California Community Colleges are found on www.ASSIST.org
- Upon completion of the CSU GE Breadth, students will be eligible to receive the CSU GE Breadth Certificate of Achievement M.5800.CA from Madera Community College.

Intersegmental General Education Transfer Curriculum (IGETC) DRAFTS: The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses that prospective transfer students attending California Community Colleges (CCC) may complete to satisfy the lower-division general education (GE) requirements at both the University of California (UC) and the California State University (CSU). Many independent/private and even out-of-state colleges and universities also accept IGETC. IGETC is most helpful to students who know they want to transfer but have not yet decided upon a particular system (UC or CSU), institution, or major. Students intending to transfer into majors that require extensive lower-division preparation, such as engineering or the natural sciences, should concentrate on completing the prerequisites for the major while meeting minimum admission requirements.

The courses on the previous page are IGETC APPROVED FOR MADERA COMMUNITY COLLEGE ONLY. Students completing courses at other California Community Colleges, in particular Fresno City College, Reedley College, and Clovis Community College, should carefully review course differences in IGETC placement on www.ASSIST.org

IGETC Certification: Students who have completed courses at more than one CCC should have their coursework certified by the last CCC they attended for a regular term before transfer. It is the student's responsibility to request IGETC Certification. Students can request the IGETC Certification option when ordering their transcripts.

Partial IGETC Certification: California Community Colleges may grant partial certification of IGETC to students who are missing no more than two requirements. Students should verify that their UC school/college/major program will accept partial certification. After transfer, students submitting partial IGETC certification should complete the missing requirements at either a UC or a California Community College as designated by their department. Students who have been granted partial IGETC certification should not return to the community college for a full certification.

GE Credit by Exam: Credit may be earned for Advanced Placement (AP) exams and International Baccalaureate (IB) Higher Level exams toward IGETC. See the Madera Community College catalog for details. Students should be aware that college courses may duplicate the content of examinations. The University may not award credit for both the course and the exam. Some UC campuses may require higher exam scores for subjects within the major. Refer to the campus regarding how AP credit is granted for each major. CLEP exams are not accepted for IGETC.

Courses Completed at Other California Community Colleges (CCC): Courses taken at more than one CCC may be used to fulfill IGETC. Coursework may only be applied to the IGETC area for which it was approved at the community college where and when it was completed. Refer to www.ASSIST.org for a list of CCC courses that satisfy IGETC requirements.

U.S. History, Constitution, and American Ideals for CSU only: A U.S. History course (HIST 11, 12, 12H, or 22) and a U.S. Government (including California) course (POLSCI 2 or 2H) is required for CSU graduation. Though not required to complete IGETC, these courses may satisfy AREA 3B or AREA 4.

Ethnic Studies: The reduction of units in AREA 4 and inclusion of AREA 7 take effect for students matriculating at California Community College beginning Fall 2023.

CERTIFICATE OF ACHIEVEMENT: IGETC for CSU (M.5900.CA) / IGETC for UC (M.5801.CA): Students who complete the IGETC pattern and meet the residency requirement are eligible to apply for the Certificate of Achievement for IGETC for CSU or IGETC for UC from Madera Community College.

STARFISH STUDENT EDUCATIONAL PLAN (SEP)

Student Educational Plans in Starfish Degree Planner:

- After participating in Advising with a counselor, you will be able to view your Student Education Plan (SEP) in Starfish-Degree Planner. This includes any Approved, In Progress, and Returned plans. Please allow up to one week for the plan to show as being approved in Degree Planner.
- Please follow the plan marked as Approved and Active! This is critical.
- Do not make ANY changes to your SEP without talking to your Counselor. SEPs are for viewing ONLY.

Steps to Access your SEP in Starfish Degree Planner:

1. Log into your student portal from the Madera Community College website.
2. View the My Favorite Apps and click on the Starfish Icon.
 - If the Starfish Icon is not on the dashboard: Click on Apps Catalog and locate the Starfish Icon. On the top right-hand corner of Starfish click ☰, and "Add to my Favorites" to pin to Dashboard
3. After clicking on the Starfish Icon, locate and click the three bars on the top left-hand side of the page and select Degree Planner from the drop-down menu option. What you see next will depend on whether your SEP is already created by a Counselor in Starfish:

To watch a tutorial on accessing your SEP, please visit <https://youtu.be/K-futqB7VCc> or scan the QR code

Option 1:

If you have already received an SEP through an advising session with a counselor, you will see it in Degree Planner. You may see multiple plans in Degree Planner, but follow the plan labeled "Active," with the green "Approved" check mark logo as this is your most recent and approved plan.

Option 2:

If you do not see a plan, Degree Planner will display this message telling you to meet with a counselor. If you need to meet with a counselor for an SEP, please call the Madera Counseling Office at (559) 675-4141 during normal business hours or schedule an appointment online at www.maderacollege.edu/counseling.

TIPS FOR SUCCESS

Are you the first in your family to go to college?

Many Madera Community College students are the first in their family to go to college. You are not alone! We have many support services, such as EOPS, TRIO, and CAMP, designed to help first-generation college students. It's normal to not know the next steps or feel a little lost sometimes. You may even have family members who are proud of you, but maybe they can't relate to your new experiences. That's ok! Get involved, make friends, and ask questions.

See a counselor if you need to figure out what to do next, 559-675-4141.

1. Make a schedule.

Account for work, family, personal and study time. Three hours of study time a week per unit is normal. If you are taking 12 units, plan on up to 36 hours of study time.

2. Get to know instructors and classmates.

If you are sick or need to miss class, make sure to let your instructor know. You can also ask classmates for notes or details on what you missed. Instructors have office hours where you can ask questions and get help. Take advantage of this time!

3. Get help early.

Don't wait to fall behind. We have FREE tutoring for all subjects. Meet with your instructor by appointment or office hours to stay on track and get support for your studies.

4. Apply for Financial Aid every academic year.

There are many sources of aid available. You can also apply for scholarships – many are based on need and can help cover fees, books and living expenses.

5. Meet with a counselor during your first semester.

They will help you develop a Student Education Plan (SEP) for classes to take to meet your goals. See your counselor at least 1-2 times a year thereafter to update your planning.

6. Register for classes early.

Don't wait until the final deadline to register for classes. Get your pick of the best class options by registering on your assigned registration date.

7. Go to all classes, especially the first day of the semester.

Instructors usually hand out a course outline (syllabus) filled with information such as required texts, course requirements, reading assignments, papers, projects, due dates, and instructor office hours.

8. Support your physical and mental health.

Take advantage of FREE and CONFIDENTIAL psychological and health services. Meet with a professional to help you through the stress or to help you understand your problem.

CAMPUS COMMUNICATION

Everyone on campus is committed to your full development as a college student. We are here to help you succeed!

Below are some tips on how to get support from faculty and staff.

- Instructors have office hours. Their hours and contact information are listed on the class syllabus. Email or call for an appointment.
- Arrive on time. If you are running late or need to cancel/reschedule, call the faculty or staff member.
- Before you send a message to a faculty member, check your syllabus for answers. Faculty and staff are here to help you navigate your way until you get the hang of things.
- Don't wait until the last minute to ask for help!

TIPS FOR EMAILING FACULTY AND STAFF

Always use your MCC student email address for all college correspondence. This will guarantee that your instructor will receive your email and that your message will not go into a spam folder. Also, by using your college email account, your instructor will be able to know immediately who you are, instead of guessing who 1oveh8@unknown.com is. The sample email below can help guide you as you craft emails in the future.

Include a salutation. Dear or Hello Mr. or Mrs. So and So (using their last name) is appropriate. Never use "Hey" or "Yo!" Even "Hi" is very informal, and it's generally better to err on the side of respectful greetings.

Include a subject line that briefly explains the nature of the email.

Subject: ENGL 1A Writing Assignment

Dear Mr. Ramirez

I had a question regarding the ENGL 1A Writing Assignment that is due next Friday. I was wondering how many references we need to include and how we should cite them?

Thank you for your help.

Sincerely,

Susie Q.

Always end emails by thanking the faculty or staff for their time and close with "Sincerely," or "Regards" and sign with your name.

Proofread before clicking "send." Check punctuation, spelling, and do not use texting abbreviations.

Student Activities' values include inclusivity, student-centeredness, collaboration, wellness and balance, and continuous improvement.

CLUBS AND ORGANIZATIONS

Madera Community College has many clubs and organizations that provide opportunities for personal development, leadership training, and enrichment of college life. The various organizations include service organizations, professional/social, athletics, and other special interest groups. New clubs are formed by students, to meet the needs of fellow students. Clubs are a great way to be surrounded by like-minded individuals or to discover new areas of interest. Becoming an Executive Officer for a club also allows students to practice leadership, marketing, and budgeting skills all of which are desirable and transferable skills to the real world. For information on how to start a campus club and/or a current list of campus organizations, stop by the Student Activities Office (R7A), call 559-675-4809, or send an email to: studentactivities@maderacollege.edu

SCCCD has reintroduced parking enforcement as of fall 2023. All vehicles must display a State Center Community College District (SCCCD) parking permit to park in campus parking lots. Parking permits may be purchased at any campus or center and may be used at all SCCCDCampuses. Daily permits may also be purchased online for \$1 and may be used to park in any parking space with the exception of staff or ADA handicapped spaces without proper permit. Please visit maderacollege.edu/parking for more information.

Fall permit \$30.00*, summer permit \$20.00*, spring permit \$30.00*.

- Fall permits are available for sale starting July 1
- Spring permits are available for sale starting December 1
- Summer permits are available for sale starting May 1

Avoid parking tickets, parking is always enforced in:

- Handicap Parking
- Yellow - Staff Parking

**Rates are subject to change without notice*

WHO WE ARE

The College Relations and Outreach office provides outreach and recruitment to local feeder high schools, alternative education, adult education sites, and businesses and agencies. In addition, staff regularly visit high school campuses, provide college campus tours, assist prospective students with college planning, admissions and registration, and maintain communication with prospective students.

The College Relations and Outreach team is here for you!
Let us know how we can help you meet your goals.
Visit our Welcome Center Info Hub in the AM Building.
